CARLOS OVIEDO

Artist Bio

Carlos Oviedo, was born in 1970 in Puebla, Mexico. When he was still a child he attended various art workshops. He studied Graphic Design at the Universidad de las Américas Puebla, México. Subsequently, on the 90`s he continued studying in the United States for six years, doing his own personal art-techniques research, knowing closely the work of the great masters of contemporary art. They have motivated and encouraged him to continue developing his talent and further improving his technique and quality on his paintings and sculptures to a very high level. After 27 years of career, his work is solidly established in art galleries, he has exhibited in 4 important museums in Mexico, participated in 15 international art fairs, with hundreds of art collectors in various countries of America. important private collections in several countries such as: USA, México, Venezuela, Colombia, Perú, Panama, Puerto Rico, Greece, Dominican Republic.
